

# Scientific Manager - Radioligand Therapy & Oncology Pharmacology (80-100%\*)

Job ID  
REQ-10010821  
Oct 08, 2024  
Switzerland

## About the Role

The successful candidate exhibits strong management skills, a collaborative team spirit, excellent communication and writing skills and willingness to pro-actively interact across the global matrix organization.

Responsibilities to include but are not limited to:

- Write and maintain accurate animal licenses in accordance with legal requirements and ethical guidelines.
- Contribute to the preparation and review of scientific research reports, papers, and presentations.
- Liaise with animal welfare organizations to coordinate animal care and support their initiatives.
- Closely work with multiple teams across expertise groups within Oncology
- Identify and address day-to-day challenges within the laboratory.
- Act as a contact person for administrative and organizational tasks of the Lab heads and the in vivo team.
- Collaborate with researchers, technicians, and other members of the lab

What you will bring to the role:

- Ph.D. with a minimum of 5 years of experience working in a relevant field.
- At least 5 years of proficiency and hands-on experience with rodent handling, including oncology models.
- A proactive, problem-solving attitude
- Excellent written and oral communication skills in English
- Highly collaborative and self-motivated team player
- Excellent organizational and communication skills
- Ability to work independently as well as collaboratively in a team-oriented environment.
- Demonstrates organizational and time management abilities to handle multiple tasks efficiently.
- LTK 1 or equivalent (LTK2 preferred)

\*Restrictions on flexible working may apply and will be discussed during interview if applicable

## Accessibility and accommodation

Novartis is committed to working with and providing reasonable accommodation to all individuals. If, because of a medical condition or disability, you need a reasonable accommodation for any part of the recruitment process, or in order to receive more detailed information about the essential functions of a position, please send an e-mail to [inclusion.switzerland@novartis.com](mailto:inclusion.switzerland@novartis.com) and let us know the nature of your request and your contact information. Please include the job requisition number in your message.
