

ED, Radioligand Therapy (RLT) Platform Enablement

Job ID

REQ-10027849

Nov 12, 2024

USA

About the Role

Key Responsibilities:

- Drive large scale, broad strategic initiatives that enable RLT within different archetypes and ecosystems
- Lead high priority workstreams and initiatives related to RLT treatment site access and customer experience
- Serve as the driver and liaison of the GM Enablement team in areas related to access to treatment sites
- Operate in close collaboration with the RLT integrated product strategy team leaders and multiple stake holders across various functions of the organization, including Customer Engagement, Novartis Patient Support, Marketing, Market Access, and Legal
- Manage budget exceeding \$30M dedicated to multiple initiatives dedicated to drive RLT enablement
- Identify and lead initiatives with potential strategic importance to RLT platform
- Manage projects related to RLT, identify bottlenecks and resolve them
- Analyze trends and identify opportunities across both accounts and HCPs

Essential Requirements:

- Education: Bachelor's degree required. Advanced degree preferred.
- 10+ years of relevant experience in pharmaceutical marketing/P&L function, consulting, investment banking, legal, or other relevant field
- Curious individual with passion for problem-solving
- High level of comfort with ambiguity; ability to thrive in high pressure environment
- Previous people leadership experience

Desirable Requirements:

- Market Access, Patient Services, or Marketing experience highly preferred
- Radiopharmaceutical experience highly preferred
- Pharma field leadership preferred

Commitment to Diversity & Inclusion: Novartis is committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

The pay range for this position at commencement of employment is expected to be between \$233,600 and \$350,400 per year; however, while salary ranges are effective from 1/1/24 through 12/31/24, fluctuations in the job market may necessitate adjustments to pay ranges during this period. Further, final pay determinations will depend on various factors, including, but not limited to, geographical location, experience level, knowledge,

skills and abilities. The total compensation package for this position may also include other elements, including a sign-on bonus, restricted stock units, and discretionary awards in addition to a full range of medical, financial, and/or other benefits (including 401(k) eligibility and various paid time off benefits, such as vacation, sick time, and parental leave), dependent on the position offered. Details of participation in these benefit plans will be provided if an employee receives an offer of employment. If hired, employee will be in an “at-will position” and the Company reserves the right to modify base salary (as well as any other discretionary payment or compensation program) at any time, including for reasons related to individual performance, Company or individual department/team performance, and market factors.
