

Portfolio Account Specialist (Immunology, VIC West)

Job ID
REQ-10021715
Nov 14, 2024
Australia

About the Role

- Drive sales and promote the portfolio of products in designated key accounts to achieve commercial goals.
- Develop detailed account and territory plans based on insights.
- Execute a customer engagement strategy and account action plan.
- Build relationships with key customers to identify growth opportunities and overcome barriers.
- Deeply understand the market, customer and patient journey, competitive dynamics, and brand impact on the healthcare system.
- Facilitate joint solutions with multiple stakeholders focused on patients.
- Prioritise customers and tactics based on potential and business objectives and provide customer insights to the cross-functional team and assist in developing solutions.
- Plan and facilitate speaker meetings in compliance with governance requirements.
- Collaborate with Agile teams to deliver key tactics.
- Spend time with key customers and regularly review stakeholder mapping.
- Accurately record interactions in the CRM system.

Your Experience:

- Extensive knowledge of the Victoria healthcare system.
- Experience in key account management and strategic thinking.
- Pharmaceutical sales experience.
- Ability to interpret clinical data.
- Resilience under pressure and ability to influence cross-functional teams without direct authority.
- Ability to navigate complex healthcare environments with a strong prioritisation and flexibility in changing course as needed.
- Competence in influencing and negotiation and solution selling through dynamic questioning.
- Experience in optimising customer experience through various engagement channels.
- Strong presentation skills.
- Curiosity, learning agility, and effective communication.
- Time management skills to handle multiple ongoing projects.

Role Requirements
